### **OSHC Activities:**

Since the beginning of the year a number of OSHC activities have been based around the theme of Prehistoric People. Inspiration for this theme was from the children watching the movie 'The Croods' at vacation care.

Activities have included; Spear Throwing, Boulder Ball, the board game 'Stone Age' & the word game 'Poetry for Neanderthals'.

### **Competition Trophies:**

Some OSHC game winners are awarded a trophy to recognise their achievement. Almost all of the winners are the children who persist at these activities the longest. The winner keeps the trophy until the next time the same activity is run at OSHC.
